LET US BUILD A TOWER RETAILER FACT SHEET

GAME PITCH

Climb the Tower. Seek the Throne. Seize your Godhood—or die a legend trying.

Journey back thousands of years to a temple-city in the throes of apocalypse. Ascend the ruined Tower to Heaven, where a jealous God cast humanity into Chaos. Shifting floors of strange artifacts, otherworldly wonders, and angelic horrors greet the bold on their ascent to glory. The Throne of Heaven awaits at the top for the taking. What will you sacrifice to reach it?

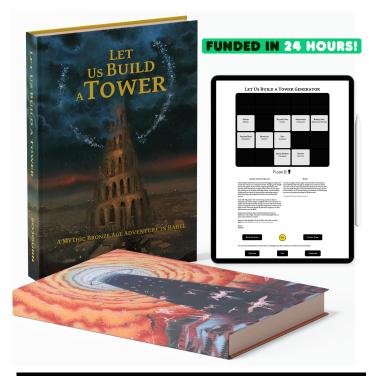

DETAILED DESCRIPTION

Let Us Build a Tower: A Mythic Bronze Age Adventure in Babel is a dark fantasy roleplaying game for 2–12 players. The players' goal is to enter the ever-changing **Tower of Babel**, make their way through many dangers to the top of Tower, and somehow seize the **Throne of Heaven**.

LUBAT contains in its 144 pages...

- ► A MYTHIC BRONZE AGE setting in the apocalyptic ruins of the City of Babel, inspired by the biblical tale and ancient Mesopotamian legend.
- ► THE TOWER OF BABEL, an epic megadungeon-building ascent to Heaven full of wonders and hellish dangers through ever-changing floors.
- ▶ Powerful Tables which generate countless artifacts, magic weapons, traps, NPCs, quests, and unique chamber features to keep each excursion surprising.
- ▶ BEASTS OF BABEL ranging from Angelic Ophanim, to Fallen Gods, to the scorpionfolk guardians of the underworld, to the legendary Behemoth and Leviathan. Encounter, evade, bargain with, and battle more than 80 other Monsters of the ancient world.
- MYTHIC SHINAR, a fully-realized Bronze Age world of legend revealed by map, wilderness travel and encounter tables, city entries, important characters, adventure seeds, and more.
- ▶ Babel Magic based on the power of creative language.
- ► PLAYER GUIDES offering advice for every experience level.
- More than 100 beautiful illustrations hand-crafted by a team of accomplished fantasy artists. No Al-generated images here—all human skill and imagination.
